

"HOW THE WEST WAS REALLY WON" will be enacted by James Nickoloff, James Robbins, and Frank Williams in Sierra Madre PTA's annual extravaganza show slated for three nights, Nov. 14, 15 and 16. "We Dreamed We Were Sensational" will feature 20 act program with a cast of over 100. The show begins tonight at 8 p.m. in the Sierra Madre School auditorium. You can view the "Fussy Cat Parade," travel with "Columbus," meet an "Arabian Sheik" and even witness a "bank holdup."

CARROT TOP
By
R. Robert Evans

Quite a neat little trick was sent out to residents of Sierra Madre this past week in the form of a card inside an envelope proclaiming . . . "that your telephone number was selected today, and this entitles any adult, 21 years of age or over, to a wonderful gift."

You were to call a telephone number in Arcadia between certain hours to tell them who to send this gift to. Sure I received one and I had to find out what the score was . . . never can tell in this world when you just MIGHT receive something for NOTHING.

Well this "Gimmick" (attention Seward Clarke, Plaza Shop) and this is the form that gimmicks take, was from a well known Dance School, and the call was taken by a solicitor who was offering you a \$25 trade certificate if you would sign up X number of dollars in additional lessons.

Some businesses and people stoop pretty low to secure or rope people into their establishments . . . a reputable firm does not have to give away a Gimmick deal to receive your patronage . . . the fact that no name was on the card indicates a "Gimmick" or "Shady" deal . . .

WARNING DEAR READERS . . . from now on through the holidays all of us will be in a position to receive offers from "sharp shooters," it is their time of operation, so do not buy, sign, or agree to anything unless you know the people, or firm you are dealing with . . . if in doubt they should show you complete identification. Notify your Police Department if you think the deal is shady, so that they may be stopped before they harm you and others in your neighborhood.

U. S. experts on the Soviet say that because farm failures also hit Russia oilseed crops and dairy products, a Red pitch for soybean oil will follow the purchase of American and Canadian wheat. Watch for it.

Our congratulations, although a little late, go out to Lucille and Harold Peterson on the celebration of their ninth anniversary in the shoe business.

Harold's Shoe, located in the Upper Hastings Ranch Shopping Center, has long been recognized as the Buster Brown Shoe Center for Children, of course other well known brands, of quality shoes are, and have been, the feature of this business establishment, all giving it the sound reputation that they enjoy . . . Congratulations on the 9th and wishing you ninety more years of successful operation.

Sacramento observers note that Governor Brown has virtually an all-out political organization working full steam on his drive for a third term . . . even though the election is not until 1966.

Speaking of politics and this column as well as the editor of this newspaper . . . eight months or so ago I stated that I would run a "Conservative Republican Newspaper" personally I do not feel that I have misrepresented this fact . . . however I did state that all in opposition would be given a

Sierra Madre Republicans Launch Classes for Voters

Under the leadership of President Mrs. John (Jan) Maddox and Educational Chairmen Jim and Alice Winslow, the Sierra Madre Republicans launched their full-scale drive for better-informed voters.

A group of 24 Republicans met in the home of Mr. and Mrs. Kurt E. Ferber for the first of a series of four classes. The class is conducted by Mr. Neil A. Lake, Los Angeles attorney, and deals with a practical application of Republican activities ranging from an introduction to Republican party history, philosophy and organization through effectivity of precinct work. Aim of the course is to equip election workers with basic party fundamentals and train them for effective promotional work. Attending were board members of Sierra Madre Republicans and also Dr. John A. Robertson of the United Republicans of California. Mr. and Mrs. "Barney" Yunk and Mr. and Mrs. Robert C. Michael, enthusiastic election workers.

Announced also were plans for the second major event programmed for the benefit of all voters, regardless of party affiliation.

On Wednesday night, Nov. 20, at the Sierra Madre Park House will be held the second of a series of citizens-information discussions. The address will be given by Dr. Arthur Kemp, noted professor of money and credit at Claremont Men's College, Pomona. Subject for discussion will be "National Monetary Problems." A discussion period will follow and refreshments will be under the direction of Mrs. Roy (Lucille) Pickett and her hard-working corps of Sierra Madre wives.

Meeting time is 8 o'clock. New residents in the Sierra

ALTHOUGH THE SPOOKIEST night of the year is over, we couldn't resist sharing these miniature ghosts and goblins with you. They are, Erin O'Donnell, Michael O'Donnell, David Watabane, Tommy Watabane, Kimbrey McGullicuddy, Diane Douglas, Steven Waychoff, Mark Bich-wing, Ginger Livingstone, and Ellen Stoop, all enrolled at Mama Pete's Nursery School — oh yes, that big one in the back is Mama Pete and next to her Kristie Ford, her helper. The little spooks paraded through town and to their delight gave many merchants quite a scare.

SM Volunteer Fire Dept. Plans Christmas Dance

On Friday, Nov. 8, the Sierra Madre Volunteer Fire Dept. met for their regular drill. Just minutes before the drill meeting, the Fire Dept. responded to an alarm and was given an address on Olive Ave.

The fire truck was dispatched to that address but could find no fire. At this time the Monrovia Fire Department was contacted to check if they had an Olive Ave. They in turn reported they did and was rolling to the fire.

The regular drill finally got under way and put on a drill for the members of the Sierra Madre Fire Commission. At a previous drill the members of the commission were shown how the volunteer department would respond and fight a fire. Members of the Pasadena Fire Department, Captain Jerry Mazone and Master Mechanic Brownie Spanovich demonstrated the operation of the newly purchased Seagrave truck.

The business meeting following the drill found the department furthering their plans for their forthcoming Christmas dance which will be held on Saturday night, Dec. 14. Tickets were passed out to the members present, and territories chosen for the ticket selling campaign. The money raised by the ticket selling goes for the annual Christmas party which is held in the City Park on Christmas Eve. This annual event has enjoyed success for over 40 years.

Altadena Federal Announces 1964 Christmas Club

At this time, each year, the Altadena Federal Savings and Loan Association launches its annual Christmas Club savings program. D. W. Church, president of the Association, in announcing the 1964 program, pointed out that "each year this program becomes more popular. This is understandable, since the 'Club' enables members to prepare for next year's holiday expenditures with a maximum of convenience."

As emphasized by Association management, the Altadena Federal Savings' Christmas Club is simple to join. Basically, club membership consists of saving a selected amount each and every week for 50 weeks during the next year. Upon opening an account, a member receives 50 dated-payment slips. These slips serve as reminders to save the planned amount each week throughout the year. The amount to be saved can range from 50 cents upward. In all cases, earnings are added to the principal in the same manner as with a regular account. At 50 cents a week a member will, at the end of 50 weeks, net \$25.00, plus earnings; while \$20.00 a week will net him \$1,000.00, plus earnings, at the end of the same period.

In concluding his announcement, President Church reminded would-be club members that "the time to join the 1964 Christmas Club is now, either at our main office in Altadena, or at our branch office at 1945 E. Washington in Pasadena. If you join the club in 1963 you can assure yourself holiday financial peace of mind for 1964. Begin the plan today. You'll find it's an easy and financially painless method of planning and saving throughout the coming year."

Your . . . Community . . . Hospital

Do you want socialized medicine? Before you decide, it would be wise if you would consider what this means to you as an individual, and the effects of such a program.

Number one: The cost of medicine, visits to the doctor's office, hospitalization and prescriptions is going to be very little. Certainly no one will deny the fact that our present system is expensive.

If this program of socialized medicine is so good, why then are the doctors who are practicing medicine bringing their medical kits to practice in the U.S.? More money??

Can you visualize waiting six hours to see the doctor and then be told to return tomorrow because the office is closed? This is merely the beginning—after you get an appointment you are then given a prescription which is prescribed from a book according to your ailment.

The doctor-patient relationship that now exists would vanish under socialized medicine. Under socialized medicine a doctor may see an average of 100 patients per day (that's an 8-hour day). This means you state your case, be brief, get your prescription and that's that.

Under socialized medicine there is a time and place for everything. Emergency conditions for example: It's very possible that there are 50 emergencies ahead of you. If your condition warrants surgery, it's quite possible that there are several ahead of you in the surgery line. Another aspect is, you don't know who is going to operate on you. It has been said that if you have money and influence that you can beat all this waiting and even get in the hospital.

Before you decide that socialized medicine is for you, consider what you have now. You must pay the price in order to enjoy the better things in life. Consider this—in order to have a free society we die fighting those who would jeopardize this.

Arboretum Features Annual Orchid Show

The Los Angeles State and County Arboretum, 301 N. Baldwin Ave., Arcadia, will host the fifth Annual Southland Orchid Show, Nov. 15, 16 and 17, sponsored by Southern California's seven leading orchid societies.

Previous shows have been held in the Spring, during the blooming period for Cymbidiums. This year, in the fall season, many different Cattleyas and other fall flowering orchids will be displayed.

The main part of the show will be in the Lecture Hall, with other exhibits in the aluminum display greenhouse in the Sunset Demonstration Gardens and in commercial hobby greenhouses north of the rotunda of the Administration Building.

Many of the world's finest Cattleya hybrids in rich purples, prize-winning whites, yellows and the rare red types will be shown, in addition to unusual jungle-collected species, which will be in bloom. Several commercial growers are planning displays of their exceptional stud parent plants in flower. These are the plants from which new hybrids are developed.

Of special interest to women will be the large display of flower arrangements and corsages, for which the Southland Orchid Show is noted.

The Show will be open to the public from 9 a.m. to 9 p.m., Friday and Saturday, and from 9 a.m. to 6 p.m. on Sunday. Admission is free.

Woman's Club Plan Big Party Wed., Nov. 20

Sierra Madre Woman's Club presented Dr. Fred Judson of Santa Monica speaking on "Live and Love It," at the November luncheon meeting on the 13th. Dr. Judson is a great favorite with audiences because of his humorous way of presenting very vital and fundamental truths.

After luncheon Mrs. Alexander Patrick, responsible citizenship chairman for Verdugo District, California Federated Women's Clubs gave a short talk on what the District is doing in her department.

Women's Club members are planning a big party, with the help of the "Luncheon is Served" folks for Wednesday, Nov. 20 at noon. After the luncheon, at which many nice prizes are given away, guests are invited to make up tables for games, and play all afternoon, if they so desire.

Angeles Forest Fire Closed Area Open To Public

The U.S. Forest Service announced Thursday, Nov. 7, that fire-closed areas of the Angeles National Forest are now open to public entry. Sim Jarvi, Angeles Forest supervisor, said that with the recent storm almost three inches of rain has fallen on the San Gabriel Mountains. This rainfall figure, together with favorable weather forecasts, allowed the opening of closed areas until next July 1.

U.S. Forest Rangers cautioned that even though closed areas are now open, everyone should continue to be careful with fire. Local ordinances regarding no smoking remain in effect, open campfires are always prohibited, and debris burning and campfire permits are required year around.

Supervisor Jarvi said the 1963 forest fire season record was the best since 1957. During 1963 only 54 fires occurred in the Angeles National Forest. Highest causes of fires in the forest were (1) Careless discarding of burning cigarettes; (2) children playing with matches; and (3) careless debris burning. Total land burned during the year was 3,636 acres of valuable watershed land. During last year 90 fires burned 18,357 acres of national forest land. Supervisor Jarvi credited the co-operation of forest visitors and those living near the forest for their fire prevention help in reducing the number of forest fires during 1963. Quick action by U.S. Forest Service crews and firemen of the Los Angeles County Fire Department, plus local city co-operators, contributed to the small number of acres burned this year, as well as the small number of fires.

Jarvi said this is the earliest date fire-closed areas have been opened in the National Forest since 1950. Forest Rangers are looking forward to a wet winter and hoping for plenty of snow for winter sports recreation areas in the forest.

Mrs. Roy E. Griffin, who conducted the affair so successfully last year, is at the helm again and Mrs. Arthur Code will assist with her helpers at cooked food and white elephant tables, and just generally make everyone feel at home.

"Come and bring your friends, men are welcome," says the president, Mrs. A. J. Barkman.

Shakespeare Club Has Heritage Day

Shakespeare Club of Pasadena will feature a colorful period in California's history at the turn of the century, on its annual American Heritage Day, Tuesday, Nov. 19.

A bevy of versatile and talented performers will grace the stages for both luncheon and afternoon programs. The Mad Mountain Ramblers, all local boys and one of the finest bluegrass groups on the west coast will set the tone for the day with genuine turn of the century music on the Stratford House stage at the 12 o'clock noon luncheon. Invocation will be given by Mrs. Winthrop P. Hearsey, past president. Mrs. T. William Heidner, president, will preside.

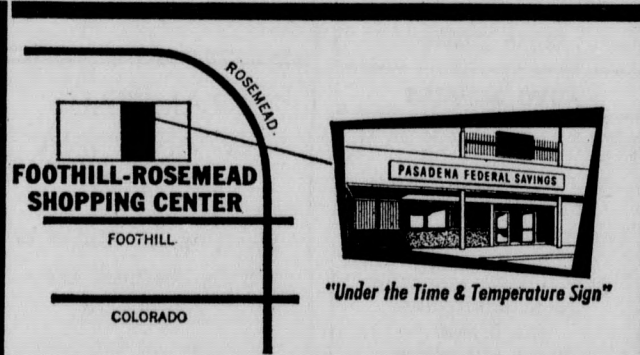

Authentic Spanish dances will be performed by Melisa Buchanan accompanied by musical recordings of "La Hota" and "Via Ferron" obtained in Spain on Miss Buchanan's recent trip to Europe.

Mrs. Helen Achilles, vice-mayor of San Gabriel, and Tony Lester, well-known expert in the English form of dancing, will perform an almost extinct soft shoe dance of the 1900's.

The program in Shakespeare Auditorium at 1:30

p.m. is centered around nostalgic San Francisco of the 1900's. The Mad Mountain Ramblers will turn their talent from the luster numbers to those of love and romance. A one-act play, "The Sweetheart Game" by Ruth Comfort Mitchell has as its setting San Francisco's Chinatown. The cast is headed by Stan Zalas of the Pasadena Playhouse and under the direction of Doyle Phillips of the Pasadena Playhouse. Mrs. Walter L. Benedict, chairman of the day, is also producer of both programs. Art chairman is Mrs. Roy Buchanan. The general committee is Mrs. Willard Davis, Mrs. Jackson Holmes, Mrs. Francis N. Merriam, Mrs. Florence Morris, Mrs. George A. Thayer, and Miss Wendy Aberdeen. Because of the nature of this special program on Nov. 19, Shakespeare Club proclaims it an open house day, with no guest tickets required by members for their guests.

SM Woman's Club To Help Staff Diabetes Clinic

Volunteers from Sierra Madre Woman's Club will be helping to staff the free Diabetes Detection Week clinic to be held Nov. 18 at 270 W. Sierra Madre Blvd. from 10 a.m. to 4:30 p.m. It was announced today by Mrs. Albert J. Barkman, president.

The painless tests, which are designed for all age groups and take only a few minutes, are sponsored by the Diabetes Association of Southern California. Goal of the testing program is to locate the more than 50,000 unknown diabetics in the Los Angeles area, the chairman revealed.

"Our members are anxious to assist in this important health project which takes place throughout the country during Diabetes Detection Week, Nov. 17 to 23," Mrs. Barkman stated. She pointed out that a diabetic under proper medical supervision can lead a happy, productive life. However, if the disease is undetected, severe complications often result.

Persons planning to take the test should eat a full meal with normal quota of starches and sugars one to two hours before the test, the president explained. Further information may be obtained by calling HU 3-0666.

Among members of the Sierra Madre Woman's Club assisting in the Diabetes Detection clinic are Mrs. Alan W. Born, Mrs. William B. Meek, Mrs. J. A. Dewar, Mrs. A. S. Myers, Mrs. Albert J. Barkman, and Mrs. Clinton Symonds.

Country Cousins Annual Couturier Fashion Show

Country Cousins of Casa Colina have set Tuesday, February 11, 1964, as the date of their fifth annual couturier fashion show luncheon to benefit the Casa Colina Rehabilitation Center in Pomona.

This important event, the only affair of a benefit nature planned by Country Cousins each year, will be held at the Huntington Sheraton Hotel in Pasadena and will feature Don Loper.

Mrs. Tully Warren, president, presided at a meeting held last Tuesday at the home of Mrs. Paul Case in Arcadia. Mrs. Warren C. Smith, the group's ways and means chairman, assisted by Mrs. Emrys I. Ross, reported on the progress of plans for the show.

Mrs. Smith also discussed the reports of the following committee chairmen: Mrs. Foster B. Rhodes, patroness; Mrs. John R. Johnson and Mrs. William W. Cline, decorations; Mrs. Howard Garrison, program; Mrs. Kurt E. von Bauer, invitations, and Mrs. Charles G. Lyon, publicity.

After the meeting, Mrs. Case was assisted in serving luncheon by her co-hostesses, Mmes. Glennon B. Boldemann, Jack Ryburn and Thomas W. Harris, who planned a French cuisine.

Nursery School Scheduled S.M. Book Fair

To commemorate Book Week, the Sierra Madre Community Nursery School is presenting a Book Fair, featuring literature for children of all ages. The Book Fair will be held on the school grounds, 601 E. Sierra Madre Blvd. (adjacent to the Sierra Vista Park), on Saturday, Nov. 16, from 10 a.m. to 2 p.m.

A large assortment of interesting books will be available. For the very young child, cloth books, First Baby books, etc. The nursery age group will include picture books, award-winning Caldecott and Newbery books and others. The school age child will be able to select science books and assorted game books.

For the creative, the Fair will offer art books including Origami sets (the art of paper folding), art portfolios by various renowned artists, and lovely colored, ready-to-frame prints from the works of Matisse, Picasso, Degas, Toulouse-Lautrec and others. Child care will be provided for parents who wish to browse at leisure.

With holidays and perhaps birthdays approaching, why not give a book, which was written and selected with your child in mind?

Remember the date, Saturday, Nov. 16, 10 a.m. to 2 p.m. Proceeds from the Book Fair will be used to purchase new play equipment for the Nursery School.

Delta Zeta Holds Monthly Supper Meeting

Miss Ruth McIntosh, board member of the Pasadena Chapter American Association for United Nations, will discuss the "United Nations and You" at the monthly supper meeting of the Pasadena-Foothill Alumnae of Delta Zeta sorority at the home of Mrs. Charles Hollister, 1155 S. Orange Grove Blvd., Pasadena, on Thursday, Nov. 14, at 6:30 p.m.

Mrs. Wiley Serling is in charge of the supper meeting. Assisting her will be Mmes. Gordon Jones, Harold Kiser, H. A. Cordell, Lyle Caldwell and Miss Pearl Calvert. Reservations may be made with Mrs. Hollister, 799-9998, and Mrs. Harold Simpson, 446-2402.

Program Theme American Indian

Sierra Madre Chapter National Society Daughters of the American Revolution meets Monday, Nov. 18, at 7:30 p.m. in the Park House, 25 S. Hermosa Ave., Sierra Madre.

This month's program will be centered around the American Indian, since one of our national aims is to encourage their education and development toward self-help and integration.

Mrs. Frank J. Thomas, Indian Affairs chairman of the Alhambra San Gabriel Chapter, will be the guest speaker and members are asked to take donations of canned foods and warm clothing to be taken to the Indian Center in Los Angeles.

The Collis P. Huntington Chapter of Huntington Park was hostess to a reciprocity tea Monday, Nov. 4, honoring the state regent, Mrs. Frank R. Mettlich who showed beautiful color slides of her trip to five schools in Kentucky, Tennessee and South Carolina which are maintained wholly or in part by the DAR. Since the aims of the organization are historical, educational and patriotic these schools have important bearing on their work.

Attending the tea were Mrs. James C. Greer, Mrs. Walter Gardner, Mrs. Dorothy Baumback, Mrs. A. S. Myers and Miss Harriet Taylor from the Sierra Madre Chapter.

VISITING HERE

Mrs. George W. Smith, who lived in Sierra Madre most of her life, is back visiting her old friends and her sister, Mrs. McElfish of El Monte. Mrs. Smith concluded her two-month visit Nov. 9, returning home to Berryville, Ark., in the Ozark Mountains.

DIABETES sends out definite danger signals—Increase in thirst, hunger and urination; loss of weight; itching; easy tiring; changes of vision and slow healing of cuts and scratches. Fortunately, diabetes can be detected quickly and with little effort. Your family pharmacist will be happy to give you reliable information on diabetes and how it can be detected.

YOUR PHARMACIST  **... FOR FAMILY HEALTH INFORMATION**

Rudolph R. Hartman, PhG., FACPh, proudly announces that Hartman Pharmacy in Sierra Madre will sponsor another 5 minute broadcast on current health problems. This second broadcast will be during National Diabetes Week (November 17-23) and will be a conversation between announcer John Batchelder of ABC and Dr. Thomas P. Parking Limits To See Action

general public welfare, we in the Police Department would prefer compliance to the Ordinance as opposed to parking ticket issuance.

"Your Sierra Madre Police Report" of November 7, 1963, is devoted to the subject of "limited time" parking. This was done to advise motorists of the Ordinance and the underlying philosophy, and further to advise the Ordinance would be enforced.

I am a firm believer that a "public educational" approach is vital to the success of good police-community relations.

—JAMES F. BALE
Chief of Police

Ordinance No. 635 includes Windsor Lane, between Sierra Madre Blvd. and Montecito, Montecito Avenue between Baldwin Avenue and Mountain Trail; Sierra Madre Blvd. on the north and south sides between a point 120 feet west of the west curb of Lima and a point 320 feet east of

the east curb of Lima. Sierra Madre Blvd. on the north and south sides between the west curb of So. Hermosa Ave. and a point 350 feet east of the east curb of South Baldwin Avenue.

Baldwin Avenue on the east and west sides between the south curb of West Montecito Avenue and a point 235 feet south of the south curb of Sierra Madre Blvd.

All that certain street known as Kersting Court; Baldwin Avenue, on the east side only from the north curb of East Montecito Avenue to a point 195 feet north of the north curb of East Montecito.

Penalty for violation shall be guilty of a misdemeanor and upon conviction subject of a fine of not more than \$500 or six months in the City Jail or both.

District 80
December 10 was set as the time and place for the hearing of assessments on Sewer District 80, different method of spreading the assessment will be experienced in this district, it has been figured on square footage basis due to the R-3 property and the changing depth of the lots in the area. The figure used is fairly close to the front footage figure of \$7.25 quoted at the beginning of construction.

New District
Petition for Sewer District of Santa Anita Court was received and referred to the Engineering department for recommendation. Its outcome will be forthcoming.

Well No. 6
The Mayor and City Clerk was authorized to enter into a contract with engineering firm for the construction based on doing the design work of new water well No. 6. The cost of the well is estimated at \$35,000, and the engineering fee set at about \$3,500.

Request Heard
Application for the modification of some rates of the Foothill Television Cable Company was read and discussed. The Council denied the application for a charge for "FM hook-up" at \$10. This was a free service at the time of the letting of the franchise. Charges anticipated for underground installation and changing the wiring from "Connection Charge, Main Set" to "Normal Overhead Connection Charge, Main Set" were returned to the company for clarification before action. A building of metal was approved to be erected by the company on city property.

Condemnation
Resolution No. 2023 declaring intentions to condemn the property at Victory Lane, Lot 5 for City Hall purposes was adopted and passed. Whether it be a Lease-Hold, or purchase of

Letters to the Editor . . .

I may not believe in what the man says, but I will defend to my death his right to say it.—(similar words of Voltaire)

Dear Editor:
I would like to answer briefly the two young men who took umbrage at a recent letter by one of our local citizens against Communism, or more particularly against the defense of Communism on a platform provided by our State University.

In one of the letters the young man constantly uses the phrase, "I think" and the gist of his whole argument is: We should be allowed to think as we please with reference to Communism. This reminds me of a group of a past generation called: "Free - Thinkers." They sprang up primarily because they wanted to form a society to combat the Christian religion and the Christian's Bible, however, the Christian is still with us and the Christian's Bible, with a larger circulation than ever . . . I need not take up his words on "the dignity of American democracy" for we could not have had it in its present form had there been any dissenters around arguing against it, or Dorothy Healy's preaching "take-over" by any means possible.

It has always been characteristic of young people to espouse new things and "a little learning is a dangerous thing," but we must be different so they think, therefore we have criticism that is not always constructive.

It is always best to learn the Good before we know the Bad, then we shall not have much use for the bad. An attempt at "brain-washing" our people has been going on for a long period and who are the people who are called most frequently before the "Committee on Un-American Activities?" If you read then you know it is the people who have something to hide. Now for "Letter No. 1,"

directed to Mr. John H. Curtis.

I have not seen Mr. Curtis' letter which I assume was a protest against Communist speakers using the University Platform to address students. I certainly concur in this protest — it being a tax-supported institution. If it were a private concern it would not be allowed. I take up Mr. Andrews' statement "To successfully fight something one must be able to see it and to understand it." This is very easy to refute with regard to Communism, if — someone is threatening to break down your door and annihilate you, you will not need any more proof of his intention, and I believe those who wish so much to hear "both sides" from a neutral platform would be the first for co-existence.

Just one more thing Mr. Andrews, a great many people fear the ability of some people to reach an intelligent decision on experience and sound judgment. I quote a past president, "We have nothing to fear but fear itself."

Many thanks, Mr. Editor, for this opportunity.

—C. A. HAWLEY Stiver.

Chancel Choir To Hold Retreat

The Chancel Choir under the direction of Margaret Schaper will hold its Annual Retreat and Workshop this Saturday, Nov. 16 at the California Baptist Theological Seminary in Covina. Included in the activities of the day will be rehearsal of major new music for the coming church year as well as the special choral programs. Mr. Rollin Mann is chairman of the chancel choir and is in charge of the arrangement. Marilyn Richter is the organist.

Bethany Church is an independent evangelical church committed to the authority of the scriptures as being a guide for Christians everywhere and cordially invites all to worship with the congregation which meets weekly at 11 a.m. and 7 p.m. on Sunday and 7:30 p.m. on Wednesday. There are instructional groups for every age as well as weekly activities and a ministry of music through four different choir organizations. All are invited to investigate further the ministry of the church.

Bethany Church Notes

"Christ Makes the Difference In Our World" is the theme for the worship services this Sunday, Nov. 17, at Bethany Church of Sierra Madre. Dr. Robert N. Schaper, pastor of the church, announces that interest is increasing in each of the departments of the church regarding the month of enlargement and stewardship.

Pastor Schaper will speak during the Sunday morning worship hour at 11 a.m. and at the 7 p.m. evening service, the Rev. Bob Stiles, missionary with the Far Eastern Broadcasting Company in Manila will speak on the subject "Our Stewardship in Missions." The public is cordially invited to attend these two worship services at the church located at the corner of Baldwin and Montecito Avenues in Sierra Madre.

Mr. John Kershaw, Sunday school superintendent announces that the contest with Calvary Baptist of Monrovia is now entering its third week with renewed increased attendance in all departments. The Sunday school reached beyond its goal of 650 on Rally Day, Nov. 3 with an attendance of 670. "It appears now that our goal of 710 on Nov. 24 will be surpassed," Mr. Kershaw states. The month long theme of "Christ Makes the Difference" is being used in every department of the church. One example of this is the use made of the theme by the college age department in their Sunday evening fellowship when they had a panel discussion on the subject "Christ Makes the Difference in the Home."

Inaugurates Home Visitation

Initiating "Declaration of Prayerful Intention Week" at Faith Lutheran Church, 845 Hastings Ranch Dr., the Rev. Armin Hesse will speak on the theme, "Share and Receive Blessings!" in the 10:30 Sunday morning worship service.

The service will inaugurate the program of home visitations during the week in the interest of the congregation's 1964 financial stewardship emphasis. The program is under the direction of the Board of Fiscal Affairs, Mr. Fred Schlimes, chairman. The home visitation teams will be commissioned during the service. The declarations will be presented and dedicated to the Lord during the November 24 service, according to the chairman.

The filmstrip production, "Who's They?", recently produced by the Board of Stewardship and Missionary Education of the Southern California District of the Lutheran Church - Missouri Synod, will also be shown during the 10:30 service. The Sunday school departments, meeting at 9:15, will consider the Scriptural account of "Daniel's Deliverance." Preparations for the Christmas Eve service, in which the departments will play the major role, will be continued, according to Superintendent Marcus Silveira.

Sermon-Topic Announced By

Dr. Ethel Barnhart's sermon-topic Sunday morning, Nov. 17, at both the 9 and 11 a.m. worship services at the Santa Anita Church of Religious Science, 226 W. Colorado Blvd., Arcadia, will be, "God and You Together." New members will be received into the church at the 11 o'clock worship service. It is also Homecoming Sunday and all members, new and old, will be honored. A coffee hour will follow the 11 a.m. service. The public is cordially invited. Child care is provided at both services.

Every Sunday at 9 a.m. there is Junior Church with graded classes for children from pre-school through eighth grade.

A Youth Activity for high school and first year college students meets at 7:30 Sunday evenings under the direction of Mr. and Mrs. Robert Spencer.

All are invited to attend Mrs. Anna Dozier's Bible Study Class on Thursday, Nov. 21 at 11 a.m. when her subject will be, "The Lengthened Shadow of Our Selves." The service group meets after the class. Take a sandwich and help with the projects of the Fellowship Hall.

Thursday, Nov. 21, at 8 p.m. Dr. Irma Glen, great musician, will have a unique program, "The Healing Power of Music." This is sponsored by the Women's Activity. All are invited to enjoy the best in organ music.

Sunday, Nov. 24 at 3:30 p.m. will be a very special time for the church. Dr. William H. D. Hornaday and Dr. Mark T. Carpenter will participate in a special anniversary service and groundbreaking ceremony for the fellowship hall.

Dr. Barnhart reminds all: "Call HI 7-6162 for spiritual help day or night."

Pioneer Girls At Banquet

About twelve people from Bethany Church attended the Christian Service Brigade and Pioneer Girls Annual Banquet held this year at the South Gate Civic Auditorium in South Gate. They reported a very inspirational time and enjoyed immensely the fellowship of the people who are working with boys and girls in week-day clubs throughout Southern California.

Pioneer Girls week begins at the church this coming Sunday, Nov. 17. Part of the Sunday evening service on that day will be given over to a "Pioneer Girls Encampment." This girls club has three groups for grade 3 through Junior High which meet weekly conducted by a total of eight ladies and a committee of five. Something of the activities which go on during the week will be presented at this worship hour along with a presentation of some of the achievements that have been gained by the girls during the first few months of the school year.

The annual Christmas Missionary Offering will be received during this Sunday school hour this coming Sunday. The Missionary Board of the church has approved a suggestion that instead of the church members and friends exchanging Christmas cards this year that the money normally spent for this would be given to the missionaries as a special gift at Christmas time.

Bethany Lutheran Plan Stewardship Banquet Nov. 17

On Saturday evening, Nov. 17, Bethany Lutheran will hold the annual Stewardship banquet in the social hall. Mr. Ed Hauser is in charge of arrangements and Pastor Niels Carlsen is in charge of the program. The Stewardship Vision for the congregation for 1964 will be presented at the banquet.

On Sunday afternoon, all the members not present for the banquet will be visited and presented with the Stewardship Vision for 1964.

Russell Dumas, age 80 years, of 12 N. Baldwin Ave., Sierra Madre, passed away in his sleep unexpectedly, Saturday, Nov. 9.

Mr. Dumas, well known to all Sierra Madreans as the owner of Dumas & Son, appliance repair, originally came from England. He had lived in California for 43 years and in Sierra Madre for 35 years.

He is survived by his wife, Maude Dumas, two sons, Norman Dumas, of Sierra Madre, and Douglas Dumas of Los Angeles. There are five grandchildren.

Services were held Monday, Nov. 11, at 3 p.m. in the Riple Mortuary Chapel with the Rev. James H. Miller officiating.

Arrangements were made by Riple Mortuary, Sierra Madre.

Local Airmen Reassigned To New Air Bases

Two Sierra Madre, Calif., men are being reassigned to new bases to attend technical training courses following completion of United States Air Force basic military training here.

They are Airman Robert E. Dittmar, son of Mr. and Mrs. James Dittmar of 601 Mariposa Ave., and Airman Gary R. Thompson, son of Mr. and Mrs. Harold R. Thompson of 230 Churchill Glen.

Airman Dittmar will attend a course for medical service specialists at Greenville AFB, Miss. He is a former student at Pasadena High School.

Airman Thompson will be assigned to Lowry AFB, Colo., for training as an air armament mechanic. He is a graduate of John Muir High School in Pasadena.

Orchid Hobbyists Meet Nov. 21

The San Gabriel Valley Orchid Hobbyists will hold their monthly meeting Nov. 21, at 8 p.m. at the Los Angeles State and County Arboretum, 301 N. Baldwin, Arcadia.

The speaker for the evening will be Dr. J. Fowle, who has made a number of trips to Central America and Jamaica collecting orchids. Dr. Fowle's topic will be "Amusing Anecdotes of Orchid Collecting."

There will be a plant forum discussing the culture of the many plants brought to the meeting by the members. Anyone interested in learning more about orchids is welcome to attend the meeting.

"O give thanks unto the Lord; for He is good: for His mercy endureth forever." — Psalms 106:1

Light On Crime

With crime casting an ever-increasing and dread shadow over California, it is encouraging to see that a number of cities and communities are quite literally throwing some light on the problem.

Inspired by the success of the Los Angeles porch-lighting campaign, in which citizens voluntarily keep their outdoor lights burning all night, San Francisco is about to announce a "Burn a Light at Night" month which will launch what is hoped will be a permanent and widespread volunteer attack on neighborhood crime.

After conferring with Los Angeles Sheriff Peter Pitchess on that city's program, Acting Mayor Harold Dobbs made an official appeal to the people of San Francisco to follow suit, an announced the plan for a permanent program. As Mr. Dobbs pointed out, Los Angeles has enjoyed a significant reduction in street crime since its porch-light undertaking was started. Furthermore, now that Daylight Savings Time has been terminated until next spring, there is more need than ever for well-lighted neighborhoods.

Crime thrives in the shadows — both of men's souls and of men's neighborhoods. Casting a moral light is a long and difficult task, but the physical light of a porch or vestibule or lawn lamp is something almost all of us can contribute to our common cause of safety on the streets.

Common Sense On Jobs

American labor leadership has not been noted for its long-range wisdom in making contract demands. Too often we have seen businesses fail because of the impossible costs such contracts imposed; and along with the businesses, of course, went the jobs. We've seen steel labor come close to pricing that American industry out of the world and even the domestic market. Government action at the summit, and up and down the slopes, has as yet been unable to do anything very helpful about railroad labor's unreasonable demands for retention of antiquated work rules and their half-billion dollar a year cost to the industry and the public.

It is refreshing, then to be able to report a union contract that is realistic. In Erie, Pennsylvania, the Erie Forge and Steel Corporation was faced with a shutdown unless the union accepted a cut. Usually such a dilemma moves labor leadership not one whit. But in this case it did. The negotiators went back to the rank and file and explained that unless they were willing to take a \$9.60 a week wage cut, plus a reduction in fringe benefits, plus an unpaid lunch period, the plant would close and there would be no jobs.

The silver lining to this fiscal cloud was that if the union would go along with management, the reductions can in all probability be eliminated at the start of 1965.

Showing the common sense that labor rank and file usually shows when given common sense facts and proposals, the workers accepted. At the worst, all concerned have a new lease on life. Hopefully they will enjoy eventual gains. Somewhat less hopefully, perhaps other union leadership will take heed, and resort to common sense now and then.

The Bitten Hand Rebels

Although our title might be a candidate for the New Yorker Magazine's "Neatest Trick of the Week" department, in the case of the United States it really isn't too far fetched. For years we have been feeding our foreign friends — and even enemies — with billions of handout tax dollars. And for years our friends and foes have been biting the hand that feeds them. A lot of Americans haven't liked it.

Now the rebellion is growing. You realize it when even Paul Douglas, the Illinois economic theorist turned Senator, says a great number of Americans are fed up with the "carping unfriendliness" of U.S. aid recipients. Not that the Senator would lessen our generosity, of course. He's more concerned with increasing the thanks we get for it. But the resentment he acknowledges is there.

An illustration of what Americans are unhappy about was furnished the other day by that pro-Communist, anti-American recipient of our foreign aid largesse, President Sukarno of Indonesia. A Congressional investigation showed that one day before the United States granted Sukarno's government an "emergency loan" of \$17 million, that government bought three luxury American airlines for \$20 million.

Why Sukarno didn't order another \$3 million to even up the deal, we don't know. But we do know, and understand, why there was indignation in this country. We have been played for the fool again, and it is good to see more people resenting out loud the hand-biting of our beneficiaries.

Fattening the Foe

Repercussions to the wheat deal with Russia continue. Richard Nixon calls it "the major foreign policy mistake" of the Kennedy administration. A great many others, Democrats as well as Republicans, have deplored the cold dollar-and-cents aspect of the arrangement, and have been unimpressed by the administration's efforts to tint it with altruistic significance.

One of the most trenchant criticisms of the wheat deal appeared recently in a Chicago Tribune color cartoon. It depicts Khrushchev at Uncle Sam's door, bread basket in one outstretched hand, pick and shovel behind his back. Nikita is saying: "I'll bury you if you'll sustain me until I get my strength back."

FREEDOM

At Any Price

By H. V. Witty

In Spanish, "Alisal" simply means a grove of sycamores. To this columnist is represents six glorious days of complete relaxation.

To gain deed to 10,000 acres comprising the beautiful Alisal ranch, Jose Remundo Carrillo participated in the historical Portola Trek in 1769. Today, to enjoy the western environment and complete hospitality so reminiscent of the old west, one need only travel via a freeway to the quaint Danish village of Solvang located 43 miles north of Santa Barbara. Just another mile finds one amidst the rolling hills and old sycamores of the Alisal land grant.

On the way to this beautiful retreat, we left the trail of Highway 101 at Montecito just long enough to search out and investigate "The Fund For The Republic." This is a cute little group of intellectuals whose job it is to convince all Americans that we cannot possibly survive without a completely controlled bureaucratic society. And I am not too sure that they care who controls it. In order to accomplish a thorough sell job on the American people, this group of liberals has been aided by the Ford Foundation to the tune of 15 million dollars since its inception in 1952.

The Fund For The Republic alleges that it "was established to defend and advance the principles of the Declaration of Independence, the Constitution, and the Bill of Rights." This group contends that because of this dedication, they have "kept under scrutiny those areas in which these principles seemed to be in danger." Some of these areas have been Congressional Committees, loyalty programs, immigration, etc. In other words, in essence, the Fund For The Republic contends that liberal dedication to a free America is so great that there is absolutely no need for un-American Activity Committees, loyalty oaths, or immigration laws.

In 1959, the Fund established its headquarters in Santa Barbara under the name of the Center for the Study of Democratic Institutions. Prior to this time, they had expended a great amount of their efforts and finances in, as they themselves describe it, "maintaining the respectability of dissent and independence during the McCarthy period." This tax-free group thus opposed the very man who was effectively exposing Communists in many of our United States governmental agencies.

Let us for a moment consider the ambiguity of the names, Fund For The Republic and the Center for the Study of Democratic Institutions. These liberal groups were spawned to convince the people of America of their dedication to protect our great Republic — thus, the name Fund For The Republic. In truth,

their actions have given them away because of a destructive program against a Constitutional Republic and in favor of a Socialist State. After a few years of activity, the Fund then became The Center for the Study of Democratic Institutions. This name, to the average American, would indicate a study, the purpose of which would be to keep our institutions free. Actually, its members believe in the development of a controlled bureaucratic society, wherein all institutions are under government control.

To clearly illustrate the hypocritical method of operation of this group, one has only to quote its own words. The Fund president, Robert M. Hutchins, in his latest Report of the President, on page 3, states: "The diverse backgrounds and interests of these men (members of the Fund for The Republic) make it plain that the object of the work is clarification and not propaganda." On page 5, Hutchins states: "In September, 1961, the Center was host to five Soviet scientists..." and on page 7, he continues: "Through a national television program on a commercial network in 1958, a program for the educational television stations in 1959, and a cooperative agreement with the educational radio network and the Pacific Foundation, the Center has brought its discussions to a national audience."

(The Pacific Foundation, which operates WSAI New York, KPFA San Francisco, and KPFA Los Angeles, was recently investigated by the House Committee of Un-American Activities.) Hutchins told us "that the object of the work is clarification and not propaganda."

In discussing Center Bulletin, "Caught on the Horn of Plenty" and "Rediscovering Natural Law," Hutchins tells us that more than 3,000 orders and requests a day, over extended periods, were received. He continues to tell us that these orders and requests came from trade unions and organized discussion groups and that: "Some thousand schools, colleges and universities have ordered copies of these and other Center publications for classroom use." All this he hides under "clarification and not propaganda."

In October, 1960, Encyclopedia Britannica, Inc., asked and received guidance and cooperation from the Fund For The Republic — but, again, remember that Mr. Hutchins assures us that the object of their work is "not propaganda."

The next two columns of "Freedom At Any Price" will be devoted to an expose of the Fund For The Republic — the who, why, when and how will be discussed.

OUT OF THE COBWEBS

10 Years Ago November 12, 1953

"International Festivals" will be the theme of the Girl Scouts' annual Father-Daughter banquet slated for 6:30 p.m. Tuesday in Prichard Hall of the Congregational church. Troops 15 and 13 will entertain with skits after dinner.

Mr. and Mrs. Robert Young, newcomers to Sierra Madre, discovered two perfect 103 year old copies of the Boston Journal Newspaper, dated July 9 and 10, behind an old painting they were taking apart for re-covering.

The news stories were of Indian massacres, the gold rush, discussion of statehood for California and the illness and death of Zachary Taylor.

The Sierra Madre council is studying plans for installation of a master television antenna system.

Boating, horseback riding, hiking and other outdoor activity at Lake Arrowhead is scheduled this weekend for 14 Eugene Field School 4th grade Blue Birds. Forty-five girls are enrolled in the Blue Bird program and a Camp Fire Group is being organized.

The Sierra Madre school children dug down in their pockets and gave more than generously to the War Chest. By doing this they knew that they would help feed the starving boys and girls of China.

Street lights in Sierra Madre will continue to wear their black hoods indefinitely. A statement by the Western Defense Command this week discouraging the removal of light shields within cities probably settled that question generally as well as in Sierra Madre.

Mrs. Margaret McKee, known as the "Bird Voice of Radio," will entertain at the woman's clubhouse Wednesday. She is well known through her connection with radio, motion pictures, and the late Madame Schumann-Heinke.

Sierra Madreans enjoyed summer like weather during most of this week, with the thermometer registering 84 degrees on Armistice Day.

Children of families from 11 states who have come to make their homes in Sierra Madre recently are among the nearly 100 new pupils enrolled at the grammar school since the beginning of the school year.

All school buses in the state are being painted a bright yellow to call the attention of the motorists to them.

All vehicles are to come to a complete stop before passing school buses discharging or taking on passengers.

Sierra Madre's first neon sign was erected at Mid-dough's Drug Store, on W. Central Ave. The sign is made around a large luminous dial clock and may be seen for many blocks when lighted.

From the Old Files 40 Years Ago November 9, 1923

If the News is late this week it is not due to the two extra pages, but to Thursday's wind storm. It blew down the wires to an extent which cut off the power supply for Sierra Madre during most of Thursday.

E. A. Miller has taken over the Wheeler Heights tract, replated it and is putting it on the market as the newest subdivision of high class residence property. The land lies west of Sunnyside between Grand View and Algeria and is covered with lemon trees.

Awards Received At Cub Scout Meeting

A meeting of Cub Scout Pack 379 was held on Oct. 25, at Eugene Field School.

Those receiving Wolf awards from Den 1, were: Doug Miller, Wolf badge and one gold arrow; Ben Russell, Wolf badge, 1 gold and 2 silver arrows; David Prickett, Wolf badge and 1 gold arrow; Steven Bough, Wolf badge and 1 gold arrow. Todd Armour from Den 4 received 2 silver arrows.

Those receiving their Lion awards for the Webelos Den were: Allen Armour, and Mark Steed. Allen received 3 silver arrows and Mark received 1 silver arrow.

One year pins went to Paul Krause, Todd Armour, John Morrison, Gary Neissly, Randy and Ricky Ortiz. Allen Armour, Tim Jones, and Bernard Shuttman received their 2 year pins.

Receiving 3 year pins were: Jeff Horn, Mike Lawler, Ronnie Miller and Mark Steed.

Those receiving Webelos badges were: Allen Armour, Richard Barth, Jeff Hankins, Paul Krause, Mike Lawler, Ronnie Miller, Bernard Shuttman and Mark Steed.

Stepping into Boy Scout Troop 377 were: Paul Krause, Jeff Hankins and Allen Armour. Richard Barth, Jeff Hankins, Ronnie Miller and Mark Steed went into Troop 374.

A Den Mother Pin went to Stella Morrison of Den 3. Mr. and Mrs. Lawler had charge of the fun time.

Taxpayer Saved Near \$775,000

A dual purpose program used by the Los Angeles County Sheriff's Department resulted in a near \$775,000 savings to Los Angeles County taxpayers during July, August and September of this year.

In a detailed quarterly activity report submitted to the Board of Supervisors, Sheriff Peter Pitchess noted that the savings resulted from work on county roads, and in fire prevention and suppression, all accomplished with inmate labor. The program is one of the several multipurpose undertakings in the Los Angeles County Sheriff's Department's efforts toward prisoner rehabilitation.

Inmates assigned to this particular project earned \$1.25 per day during their incarceration. If this work were accomplished at regular pay rates, it would have cost county taxpayers approximately \$825,000, in wages alone!

In many cases, inmates learn a new trade, and are able to apply their newly learned skills when they return to normal status.

Pitchess also told of several other advantages of the program: "The 46,826 man-days worked by inmates has been of great value to Los Angeles County, not only in reduced tax expenditures, but in allowing inmates to earn a token amount while usefully occupied in a most important work therapy program."

Scientist Subject For Sunday November 17

"In the way of righteousness is life; and in the pathway thereof there is no death." This passage from Proverbs (12:28) will be read in all Christian Science churches next Sunday. The subject of the Bible Lesson is "Mortals and Immortals."

These lines from the Christian Science textbook will also be included: "It is only by acknowledging the supremacy of Spirit, which annuls the claims of matter, that mortals can lay off mortality and find the indissoluble spiritual link which establishes man forever in the divine likeness, inseparable from his creator" (Science and Health with Key to the Scriptures by Mary Baker Eddy, p. 491).

**Bonelli Asks For New MTA
Board; More Representation**
As a follow up to his attendance at the two days of hearing conducted by the State Assembly Interim Committee on Transportation and Commerce in Los Angeles last week, Supervisor Frank G. Bonelli today reported his impressions and recommendations to the Board of Supervisors.
"Presentation by MTA officials on the merits of their rail subway-surface system and strong derogatory opposition toward monorail system proposals of the Alweg Rapid Transit Systems and Goodell Monorail Systems precludes their being objective in the best interests of all," Bonelli asserted.
"MTA's conceding that rapid transit cannot be financed from farebox revenues, as offered and again documented in hearings by Alweg and Goodell, and that increased in lieu taxes on automobiles to produce \$15 million of subsidy is an absolute necessity, along with a desire to use an ad valorem tax base as a guarantee for sale of government obligation bonds in addition to the added in lieu tax, is reprehensible on the part of the MTA Board."
Bonelli continued: "With the MTA rejection of monorail nonsubsidized offers, it no longer can be objective in providing a system that will be supported from farebox revenue and thus be self-supporting and self-sustaining. Consequently, there appears that a reconstruction of the MTA Board is inevitable, allowing for a broader area of representation from cities and the County, thereupon."
Remedial legislation will be necessary to accomplish the MTA reconstruction, Bonelli pointed out.
Bonelli said contemplated legislation must include provisions for eligibility for membership on the new transit authority board; provide procedures for election of an executive committee from among the authority's membership; require a majority vote of the entire membership on the type and kind of a transit system recommended, and definitely

THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and read your Bible daily.

GOOD OLD DAYS**
Few families would care to go back to "the good old days" of childbirth. Death of mothers was common place, often because doctors had no drugs adequate for fighting infection. In 1915 one of every 164 mothers died in childbirth, or from complications of her pregnancy.
Many of these mothers could have been saved by only a few dollars' worth of today's medicines.
Now only one mother in 3,125 dies. Much of the credit for this improvement is due to the new prescription drugs. Their cost is surprisingly low. In fact, only 15 prescriptions in a thousand cost as much as \$10. The average one costs only \$3.26. No wonder we say: "Today's prescription is the biggest bargain in history."

Eagle Awards

Order of the Arrow.
It is interesting to note that both boys were Cub Scouts in Cub Pack 117 which met at Highland Oaks School, and a time when Mr. Ray Biggerstaff served as pack master. He was simultaneously Scoutmaster at Troop 174, and still holds that latter position.

Eight boys from the Cub Pack elected to follow Mr. Biggerstaff and have joined his troop in Temple City, two of which have since transferred to other troops. Of the remaining six, the Scoutmaster's son Butch received his Eagle Scout rank several weeks ago, Bill Reinheart of 1827 Anita Crest Drive is expected to qualify within a few months; Andy Helms and Bob Whittington of 1946 Alta Oaks Drive are both Star Scouts and well along the scouting trail toward Eagle Scout rank. This record of advancement is most unusual.

In addition to the Eagle presentations, Troop 174 advanced three boys to Star Scout—Mark Diehl, David Pommer and Steve Webster—and two boys to Star Scout—Kent Cope and Dana Godfrey—all from Temple City. Twenty-two boys received merit badges and four boys became Tenderfoot Scouts at this Court of Honor.

The two new Eagle Scouts have received scouting honors in addition to those already listed. Both were members of a patrol which won the Presidential Award for third place in the 1963 Camporee. Both have received Fifty-Miler Hiking Awards, and participated in Junior Leader Training.

Letters to the Editor

I may not believe in what the man says, but I will defend to my death his right to say it.—(similar words of Voltaire)

Dear Editor:

For the past 14, or more months I've heard many comment about the way you have tried to pressure civic and humanitarian organizations into buying space, before you will give them any consideration—about news releases.

Your policy and personal approach disturbs me to no end, and I only wish my subscription would run out, so I don't have to even see the front page—in our mail box. Incidentally, don't bother to send me a renewal.

I've heard comments from people who belong to such fine organizations as Sierra Madre Rose Float Association... Sierra Madre Baseball Association... a local church... and the Women's Auxiliary of the Sierra Madre Hospital... and heard comments you've made to indicate bluntly—no ad... no news releases.

Unquestionably more and more Sierra Madrenses are disturbed by your control of the news and methods of securing advertisements and I only hope you realize how you're doing more harm than good for the community.

I'm sending this letter, for I wouldn't bother to take the time to personally discuss these points of concern with you.

—CHESTER F. LINTHIZER

Editor's Note: Dear Friend: I wonder what the Rose Float Committee will think of your letter? I am sure that the Baseball Association actively recorded the several hundred dollars that was used by the News in their behalf. As far as the Church is concerned, I do not believe they would want to be considered "special favored" over other churches in the community. Those that amount to anything understand the situation and problem... I am sure that if you follow the old axiom "to thine own self be true"... wasn't the fact that I could not afford to run a certain picture which included your wife, that made you unhappy... your paper has been stopped, so your wish was granted... CT

Dear Editor: The Board of Directors of the Friends of the Sierra Madre Library wishes to express their appreciation for the interest and support you have given our organization in your newspaper. We sincerely hope you

State Population Center Defined By State C of C

Plans marking the center of California's population in the San Fernando Valley were in the works today by the Los Angeles Chamber of Commerce.

Conrad C. Jamison, chairman of the chamber's Population Subcommittee, said that the exact population center of the state—now the nation's most populous—is located at the intersection of Sherman Way and Fulton Ave. in Van Nuys.

Appropriate ceremonies commemorating that designation will be held soon, Jamison noted.

He explained that the Chamber found the exact center of the state's 17,675,000 population by running a line north and south and bisecting the state's population, leaving half on the east side and half on the west. Another line was drawn east and west, dividing the population equally to the north and south. The center is the point at which the two lines cross.

"The designation of the population center site has special significance," declared Jamison, "now that California has surpassed New York as the No. One State."

He pointed out that while the state's geographic center is around Madera, between Fresno and Merced, the state's population center is in the southern half of California.

"This again points up the attractiveness of Southern California as a place to live, work and play," said Jamison. "More people do business, spend money and pay taxes in the Southland than the rest of the state, thus contributing more than their fair share of support to the economy of California."

Republicans To Honor Lipscomb

Congressman Charles A. Halleck (R-Ind.), outspoken Minority Leader in the House of Representatives, is expected to deliver a hard-hitting attack on the "floundering of the Kennedy Administration" when he speaks at a tenth anniversary banquet honoring Congressman Glenard P. Lipscomb (24th Dist.) this Friday evening in Pasadena.

Upon arrival by plane in Los Angeles from Washington, D.C. at noon Friday, Halleck will hold a major news conference at the Biltmore Hotel. A second news conference is scheduled for later that same afternoon at the Huntington Sheraton Hotel in Pasadena.

The public is invited to attend the banquet honoring Congressman Lipscomb and advance ticket reservations at \$12.50 per plate may be obtained from the 24th Congressional District Committee, MU 2-3321.

Letters To The Editor . . .

Dear Editor:
I would like to compliment you on your excellent news coverage regarding the Monrovia school situation. Your articles on the Dr. Rafferty reception in September and the Hillis affair as reported in your November 7, 1963, front page were well done.
Thank you for taking an interest in this community's deplorable school problems.
Sincerely,
GWEN TAMIETTI

Rose Sale To Continue

tively support their city's float. After registration the girls are assigned stations and issued their roses and rose pens to sell. At the end of each girl's selling period her proceeds are carefully counted and recorded by one of Mrs. Tyler's committee. The prize for selling the most roses and rose pens is two tickets to the Coronation and Ball of the Pasadena Rose Queen.

From the girls who sell roses four are chosen to ride Sierra Madre's Float in the Pasadena Tournament of Roses Parade, New Year's Day. These girls are selected on the basis of their individual poise and personality. "It is important that our girls have winning smiles," said Mrs. Tyler, "as they will be called upon to make official appearances for our city throughout 1964."

On Nov. 24 from 2 to 4 p.m. in the Park House at Sierra Madre Memorial Park, Mayor and Mrs. Evelyn L. Sorensen will present this year's Rose Queens to the members of the Sierra Madre Rose Float Association.

Without the support of the citizens of Sierra Madre, the tradition of their Rose Float would fall by the wayside along with their civic pride. The quaint little foothill city of Sierra Madre is one of four communities that still design and completely build their float with community volunteers. Sierra Madre has had entries in the Pasadena Tournament of Roses since 1917. Sierra Madreans may help perpetuate their unique distinction by donating their time, talents and money and joining the Sierra Madre Rose Float Association.

Purchased L.A. Flood Bonds

A Bank of America N. T. & S. A. underwriting syndicate on Oct. 29 purchased the \$15,000,000 bond issue of the Los Angeles County Flood Control District.

The Bank of America group paid a premium of \$88,362 for straight 3 1/2% bonds. The dollar bid was 100.589. Net interest cost to the district was 3.20%. The bonds were reoffered to investors to yield from 2.15% to 3.30%, according to maturity March 1, 1965-1989.

Proceeds of the issue sold will be used for various flood control purposes. The district includes 99% of the assessed valuation of Los Angeles County, the largest urban area in the west with 38% of the state's total assessed valuation. Estimated population of the district is 6,500,000 and assessed valuation exceeds \$11 1/2 billion.

Bank of America and the

underwriting groups is manager of an important source of funds for public projects such as flood control, water conservation, drainage, waterworks and sanitation systems. The bank and its associates in the past 12 months bought more than \$330 million of California municipal bonds.

Parents' Club Schedules Regular Meeting

The Parents' Club of Ascension Parish Day School will hold its regular meeting on Wednesday, Nov. 20, beginning with coffee, dessert and social hour in the Parish Hall at 7:30 p.m.

Guest speaker for the evening is Mr. Oliver Crickett, general manager of the Pasadena Playhouse. Mr. Crickett had for several years been associated with the Playhouse and has returned to assume its management.

His topic will be the history of the Playhouse. All parents of Ascension students as well as friends of the school are invited to attend.

There will be Corporate Communion for all workers on the Every Member Canvass at all Masses on Sunday, Nov. 17.

Special lay preacher at all Masses on that day will be Mr. Otto Lord.

The Prayer Group, sponsored by the Associates of the Community of St. Mary, will meet in the Convent Chapel on Friday, Nov. 15, at 10 a.m.

The Evening Study Group will begin meeting in Advent. The text to be used is The Christian Person, by Arthur Vogel. The cost of the book is \$3.50 and must be ordered by Nov. 17, through Fr. Miller, who will be in charge of the study group.

The course will deal with man and his relationship to God and God's created and recreated world.

Rev. F. Patterson Accepts Position At Trinity Church

Rev. Frederick Patterson

The Session of Trinity Presbyterian Church, 3740 Sierra Madre Blvd., Pasadena, is happy to announce that the Rev. Frederick C. Patterson is the new minister of christian education.

He came to Trinity from the Presbytery of South West Iowa, where he has been a member since 1954. He has served larger parish churches in Iowa, and taught for three years at Tarkio College, a Presbyterian College in Tarkio, Missouri.

For the past two years he has been doing graduate study at UCLA, the second year serving as part-time minister of youth for Granada Hills Presbyterian Church. His specialty is adult leadership training, and adult education. He is keenly interested in children and young people and has worked with advisors to youth groups, guiding them in their work with young people.

His wife, Mary has been a concert pianist and has more recently been teaching piano. They have two children, Chris who is four years old and Amy, one year.

Wilshire Federal To Display Art Collection

A collection of paintings, sculptures and ceramics, by 20 local artists, chapter members of the National Society of Arts and Letters, will go on view at Wilshire Federal Savings Art Salon, 3500 Wilshire Blvd., Los Angeles, Monday, Nov. 18, and continue through Nov. 23.

Painting demonstrations are programmed each Friday at 2 o'clock throughout this exhibit. Opportunities will be offered on these two paintings and will be awarded at the close of the exhibit. Elsie Palmer Payne is the demonstrating artist Friday, the 22nd, at 2 o'clock. Through the workshop personnel, most of this art on display may be purchased, and commissions with artists may be arranged.

Several non-member patrons are hanging paintings. Ernest E. "Ernie" Shelton, formerly an Olympics champion from USC, whose hobby for several years was setting world records in track events, will present for sale his majestic "Portrait in Black Chalk," the entire proceeds to benefit the Awards Fund of the Los Angeles Chapter, NSAL. Ernie is a sculptor of note. His mobile, "Trapeze Performers," won first award in L.A. Chapter 1961 juried competition for sculptors. On view also is his "Pole Vault," lent by courtesy of a collection on Friday.

Members of the Advisory Councils of the Chapter also exhibiting include a sculpture in mahogany, "Madonna," by George H. Snowden; paintings in oil, "The Basket Seller," Frederick A. Zimmermann; "Topanga Canyon," Orrin A. White, and "Grand Canyon" by Paul Lauritz.

The show will be open to the public from 9 a.m. to 4:30 p.m., Monday through Thursday, and until 6 p.m.

Sponsors Annual Book Fair

Once a year Don Benito sponsors a Book Fair of its own. This year there will be a reading corner. Those who pass through the Handel and Gretel door, in the auditorium, will have the treat of being read aloud to by a trained person from books borrowed from the Hastings Ranch Library. The emphasis of this affair is on family reading and enjoyment of books.

The Don Benito Book Fair will take place from Nov. 19 through the 21st. On Thursday evening, Mr. Bill Peet, author of such books as "Smokey" and "The Pinkish, Purplish, Bluish Egg," will speak at the school at 7:30 p.m. The public is cordially invited. Mr. Peet has long been associated with Walt Disney Associates, and is

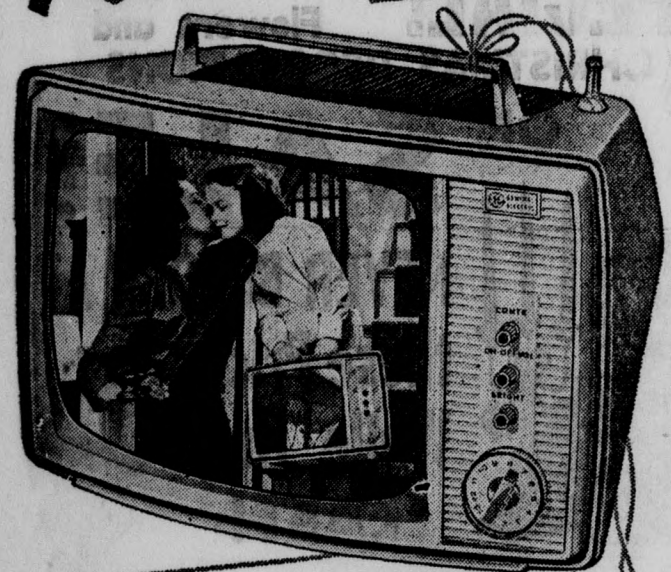

Mr. Disney's right hand man. He recently completed the lay-out and screen adaptation of "The Incredible Journey." Because this program is for the whole family, Bill will talk a little bit about his books and how he wrote them, and his world at Disney Studios. He will answer questions and autograph his latest book, "The Pinkish, Purplish, Bluish Egg," which will be available for purchase.

There will be a reading hour Tuesday, Nov. 19, Wednesday, Nov. 20, and Thursday, Nov. 21, every afternoon after school for those who are interested and for mothers who would like a little time to browse and buy without interruption.

SPORTS AS Hank Ives SEES IT

QUOTABLE QUOTE . . .

"The alumni has given the Trojan football team back to me this year. I get all kinds of fine letters telling me what's wrong with MY team. In 1962 all the letters said how great 'OUR' team was doing." John McKay.

McKay was a big hit last week when he spoke before 160 football fans at the weekly meeting of the Pasadena Quarterbacks Club. McKay admits that the current USC team has just as good personnel as the national champs of last year. The thing they are lacking is pride, and points on the scoreboard.

One thing for sure, the Trojan coach is not one to alibi.

GUESS WHAT RAM has the best running average. Terry Baker with 5.1 on 46 yards in nine carries. Baker also has the best pass percentage with 58%. And what is the fate of John Arnett? Will he still command a good price on the player market?

UCLA has had only two other losing seasons in the past 15 years. How about that? Don't be too quick to condemn Billy Barnes.

THE JR. ROSE BOWL kickoff Luncheon slated for Friday noon, Dec. 13, at the Huntington-Sheraton, will be packed with talented speakers. It is open to the public and ducats can be purchased at the door.

SPEAKING OF UCLA, the QBs will honor the Bruins this Friday at their regular meeting at the Elks Club. Homer Beatty, last year's JRB champion coach at Santa Ana, now at L.A. State, also is on the agenda.

GEORGE SCOTT, athletic director at Pasadena High School, claimed he would rather be spotted two points for next Friday night's Bulldog-Mustang clash, than pick up his check for winning the football pool at last week's QB meeting. The Bulldogs have had a corner on this market since Tom Hamilton also won it earlier in the season.

WARREN DORN confides that Los Angeles is almost a cinch to get the Liston-Clay fight.

HUDDY SCOTT has some good sharpshooters out for the PCC Lancer casaba squad, but lacks a good, tall center at the moment. Try to win without one.

OLD HANKUS improved slightly last week in the grid-guessing department with a 14-6 mark and season's total of 104-5-52 picking the toughest 20 games on the list.

HOW ARE YOU going to pick the Turkey tussle in the Rose Bowl Friday night? We look for close to 20,000 fans to be on hand for this one. There is plenty at stake aside from the city championship. A cinch C.I.F. play-off bid awaits the winner. Muir is unbeaten and seems to be gaining steam with each outing. Pasadena won 12 straight regular season games before dropping a 14-13 squeaker to Arcadia.

PASADENA had never defeated Muir until they turned the trick 21-14 last year. The Bulldogs are a cinch to be slight underdogs since comparative scores give the Mustangs the edge every time. Still, the Canines are the kind of team that can get emotionally "up" to the point of whipping any high school in sight.

PASADENA 21, Muir 20 . . . How do you like them apples? Could be the Mustangs will blow the Doggies

right out of the stadium. Also could be PHS will play an inspired game and Overland's talented toe could make the difference.

L.A.C.C. 12, Pasadena 7 . . . Lancers did a nifty job against Phoenix but can they do it again against the Cubs Friday afternoon?

U.S.C. 24, Oregon State 13 . . . And the Trojans had better be at their best.

WASHINGTON 42, U.C.L.A. 13 . . . Bruins just plain don't have it.

CALIFORNIA 20, Utah 14 . . . Bears can score against any of them.

STANFORD 17, Washington State 7 . . . Indians back in their own class.

OREGON to upset Indiana 21-16.

IOWA to upset Michigan Wolverines but anything can happen at Ann Arbor. MICHIGAN ST. to upset Notre Dame but upset possibilities loom in the background.

OHIO STATE 10, Northwestern 7 . . . ILLINOIS 17, Wisconsin 16 . . . PURDUE 7, Minnesota 0.

TEXAS to remain unbeaten by whipping T.C.U. ARKANSAS by 10 points over S.M.U.

GEORGIA TECH by virtue of a field goal by Billy Lothridge over Alabama . . . NAVY over Duke, but barely . . . PITTSBURGH to slip past a tough Army eleven . . . OKLAHOMA over Missouri but watch out . . . L.S.U. by one point over Miss St. . . PRINCETON by seven over Yale.

CARROT TOP

fair hearing in the columns of the paper, if they so desire . . . this we have done without prejudice.

—CT—
This week we lost four subscribers, for political or policy reasons. Also this week we gained three because of our political stand . . . this really got us to thinking . . . so we made an investigation of our circulation list . . . from July 1, 1962 the start of our tenure up to and including November 5, 1963.

—CT—
The figures got something like this . . . during that time we received payment for a total of 1913 new subscriptions . . . during this same period of time all cancellations, moving, unhappy and deceased totaled 304 for a grand gain in this department of 1609.

—CT—
But here is the real eye opener . . . during that same period of time our NEWS-STAND sales increased an average of 340 per week . . . you can draw your own conclusions.

—CT—
In closing this week's column let me again remind you . . . with a total of 8269 paid subscribers, and an estimated 33,076 readers it would be impossible to satisfy even two-thirds of them . . . but we will say that recently over 275 individuals took their time to write, call or stop on the street and compliment the management for its policy of the Sierra Madre News . . . to those people we give our wholehearted thanks . . . to those writing letters and voicing their opposition . . . we say, hold on, the day will come when you will be happy with something your newspaper does, while the rest of the readers are unhappy. Publishing a paper is something that I hope to be doing for a long, long time, I hope, I hope, I hope.

Pasadena YWCA Observes World Fellowship Week

The Pasadena YWCA will join with more than two million U.S.A. members as part of a worldwide movement that plays an important role in building peace and goodwill by observing World Fellowship Week, Nov. 10-17.

YWCA highlight of the week in Pasadena will be the annual Vesper Service to be held at the Holliston Avenue Methodist Church, 1305 E. Colorado Blvd., 3:30 p.m., Sunday, Nov. 17. The public is cordially invited to attend.

PCC 'Courier' Editorial Staff Announced

Former Alhambra High, Mark Keppel High and San Gabriel High journalism students currently make up one-fourth of the editorial board of the 20 members publishing the Pasadena City College weekly newspaper, The Courier, according to Nick Beck, faculty adviser.

Editor-in-chief of the 1963 Courier is the former Alhambra Moor sports editor, Dick Carnahan, of 125 Lindaraxa Park North, Alhambra. Carnahan formerly served as Courier sports editor.

Other Courier staff members from the Alhambra area are Shirley Hawk, Larry Gott and Florence Sisco, San Gabriel High; Lee Nichols of Alhambra High and Joe Vogel of Mark Keppel. Additional staff members are Karen Anderson, South Pasadena; Cherri Schmidt, Arcadia; Mike Roberts, Sierra Madre; Jim Crowley, Vicky Hutchins and Dick Sutton, Altadena. Pasadenans on the Courier staff are Phil Hartsell, John

SYcamore 7-9634

I was looking thru an old photo album the other day. I really got a kick how the circle of life repeats itself. Not only have we gone back to the hair rattle as they did in grandmother's day, the straight shifts of the early twenties and thirties, but by golly we are back to the boot type shoe. They haven't quite gotten to the button shoe stage, but there is always next year, and I'm just waiting for them, cause I have a button hook all ready to go at the first sign of a new style. It just proves if you hang on to your clothes long enough, quite possibly your children will be in the latest fashions some thirty years hence — or even you!

The social scene on the hill is beginning to go into full swing. Mrs. Richard Fox and Mrs. Robert Mardian collaborated on a cute party recently and sent out invitations to come and meet the "New and Used Neighbors." A very tactful way of avoid saying old neighbors. The affair, a morning coffee, was held at the Fox home on Mesita Road. Several of the "new" neighbors had been up here for some time but had not been introduced to this particular sector of the hill.

The guest list included Mrs. Eldon Osburn, Mrs. William Baugh, Mrs. Henry Asher, Mrs. Dominic Giamgregorio, Mrs. L. G. Farmer, Mrs. George Tucker, Mrs. William Olson, Mrs. John Fincke, Mrs. G. F. Moynahan, Mrs. Art Welsh, Mrs. Charles Klingerman, Mrs. Gene Koch, Mrs. Bill Hogaboom, Mrs. C. F. Robinson, Mrs. Hugh Baird, Mrs. Matthew Slavin, Mrs. J. D. Sorenson, Mrs. Charles Schram, Mrs. John H. Biggar Jr., Mrs. John S. Davidson, Mrs. Kenneth Gardiner, Mrs. John Griffith, and Mrs. Paul Siechert.

Some people go hunting, and others go hunting in real style. Ben Rogers is one of the latter. When he hunts, he takes all of the equipment, including "Maynard" the horse. Ben, Ralph McMullen, Jim Henker, and Jim Smith from South Pasadena, went up to Utah, just outside of the Circleville area, for a week of hunting. Ralph took along his horse "Charlie" to keep "Maynard" company. "Charlie" kind of gold-bricked along the way, but I'm proud to say that "Maynard" earned his keep by packing five of the group's eight deer out of the woods. Nice haul — what???

Mr. and Mrs. Charles Schram of Mesita Road entertained at a pre-dinner cocktail party last Saturday night before the Assumption of the Blessed Virgin Mary Fall Dinner Dance at the University Club. Their guests were Mr. and Mrs. Robert Werkmeister, Mr. and Mrs. Paul Newquist, Mr. and Mrs. Joe Chosko, and Mr. and Mrs. Sylvan Shulman.

Along that line, Mr. and Mrs. A. J. Huber had a pre-dance cocktail party for the same affair. Their guest list included Mr. and Mrs. R. H. Hopkins, Mr. and Mrs. J. Koertgen, Mr. and Mrs. Sid Parker, Mr. and Mrs. John Park, Mr. and Mrs. Dom Giamgregorio, Mr. and Mrs. Arturo Gutierrez, Mr. and Mrs. Fred Ascencio, Mr. and

Mrs. Ralph Paquette, Mr. and Mrs. Ben Rogers, Mr. and Mrs. Charles Klingerman, Mr. and Mrs. W. Casler, Mr. and Mrs. Carl Moun-ter, Mr. and Mrs. L. A. Majich, and their guests, Mr. and Mrs. John Kenney, and ourselves.

Last weekend the Mesita Road gang got together for a pre-U.S.C. versus Stanford picnic at the Jack Griffiths home. The group that went together were in addition to the Griffiths, Mr. and Mrs. Bill Wiegell, Mr. and Mrs. Paul Siechert and their daughter and son-in-law, Mr. and Mrs. Bruce Wagner, and Dr. and Mrs. Kenneth Gardiner.

There were many busy hands last week at the home of Mrs. Ira Lackey of Old House Road. She was hostess for the Alpha Chi Omega alumni group meeting. They all worked during the entire meeting, with just a brief time out for luncheon, to wrap Christmas gifts for the Los Angeles Crippled Children's Society Christmas party that will be held some time next month.

In line with that sort of thing, invitations are in the mail for the coming "Bubbles and Bawbles" champagne tea to be held at the Villa Mesa home of Mrs. John Hedrick. This tea is sponsored by the Villa Guild of the Rosemary Cottage and promises, according to the party chairman, Mrs. Kenneth Christianson, to be one of the best ever. I know, because I have been in on the plans, and the surprises that are in store for the guests are going to be a real treat. If you didn't get an invitation, you may make reservations by contacting Mrs. George Sanders at SY 8-6381.

Although Mr. and Mrs. Don Jaxheimer have moved away from our area we are no less interested in their lives and well being. We were so happy to learn of the birth of a new granddaughter, born to their daughter and son-in-law, Mr. and Mrs. Thomas Winchester on Oct. 25. The baby weighed 5 lbs. 4 1/2 ounces and is being named Mary Elizabeth. Mary Elizabeth has one brother, Brian, 13 years old. The paternal grandparents are Mr. and Mrs. Ralph Winchester.
